

# MODE OF OPERATION DECAL

There's an operation decal for the asking that goes inside the M1070's cab.

The decal shows the recommended modes of operation for different road conditions. It mounts on top of the doghouse (upper left corner). Just use a clean rag to clean or dust off the doghouse's surface before applying the decal.

To get the decal, call Ron Papiernik (TACOM) at DSN 786-5359 or (586) 574-5359. Or write to him at this e-mail address:
